September Finals Day (see next pages for a selection of photos)

Despite weather predictions and the delay of the finals day we still had a very successful and relatively dry tournament. The tennis matches were well contended with the following winning:

Junior singles: Luke Garlicki, Ladies singles: Judy Collins, Ladies doubles: Gillie Evans and Angela Gillespie, Men's singles: Dave Langdon, Seniors doubles: Dave Langdon and Geoff Mansbridge, Mixed doubles: Lawrence Sale and Judy Collins, Men's doubles: Lawrence and Warwick Sale.

Each winner received a voucher to spend in their nominated local business and these included: The Spar, Wotton Farm Shop, The Edge Health and Beauty and Loving Home.

In addition well done to Jay Harvey who won the basketball shoot out and Kit Morgan the table tennis tournament. Oh and all that enjoyed the walking netball. So much fun and surprisingly fast.

We would love to thank all of the supporters who made the day possible: the business sponsors of the programme and raffle, the cake bakers, the referees, the players, the helpers and everyone that came along and had a lovely afternoon. We are delighted to say that the final totals are now in and in fact we raised £1,040 which is terrific and will enable us to continue to maintain Tubbs Turf and add a little to the reserve for future resurfacing.

Pavilion

As a reminder the pavilion is now open to all members. Please ensure you keep it clean and tidy and let any of the committee know if there are any maintenance issues. To access the pavilion you use the same code as for the tennis court but start it with a C at the front and a Y at the end. Remember to press firmly and please ensure the door is shut when you leave.

Stewards Evening 03 October

We had a lovely evening back in the pavilion with refreshments kindly supplied by Simon and Tricia Wood. It was great to have a chat with the stewards and thank them for all they do at Tubbs—opening and closing the courts on a weekly rota throughout the year and ensuring any issues are reported to the committee to sort.

If anyone would like to join the rota than do let us know.

Gardens—more green fingers needed please

The gardens are continuing to be developed and have looked lovely this summer. We can only maintain and improve these with help from you so if you or someone you know would be willing to come and give a few hours of your time we would be extremely grateful as only a few have managed to maintain them this year. Refreshments and tools will be provided. Do contact us if you would be able to help, it would be much appreciated. Dates for the gardening mornings will be issued in the New Year.

Tennis coaching

Tennis coaching is going well and if anyone would like some lessons please contact: Haydn Benney: benneyhaydn@gmail.com, or tel: 07550 075284. He charges £35 per hour for 1 to 1 or group lessons.

Photos of finals day on successive pages. Seasons Greetings to you all.
