TUBBS TURF TIMES

Well 2020 is upon us and dare we say it but the nights are getting lighter and hopefully the weather getting warmer! So in that vein it must be time to renew your Tubbs Turf membership and look forward to an exciting year of events and great sport. Read on for all the details you need...

Membership renewals

Fees have been held for this season. The codes for the pavilion and lower court will be issued on the **1 May** to new and renewing members. To receive this code please can you ensure your fees are paid by the end of April and if any of your membership details have changed email these through. Please send email confirmation if submitting fees online so that we can confirm receipt (this is the easiest way to pay).

The 2020 form is attached for new members or for existing if you need to change any details. We very much value your membership contribution, this is great value for such a lovely facility and by being a member you get the added benefits of access to the pavilion, lower court, booking forms and also club nights and tournaments.

Do encourage others to join as the more the merrier. We would especially love to see more juniors enjoying the courts as we seem to have lost the younger members recently. Any feedback on this would be welcomed or ideas for encouraging their participation.

American Tournaments and Member nights

The American tournaments will commence again as per the calendar and are a great opportunity to play doubles matches with a mixture of members and abilities. A lovely sociable event and refreshments are provided too. A nominal fee of £3 applies to cover ball and refreshment costs. Normal start time of 2pm.

Club nights start when light permits, run from 6pm on a Tuesday and Thursday.

Pavilion

As a reminder the pavilion is now open to all members. Please ensure you keep it clean and tidy and let any of the committee know if there are any maintenance issues. To access the pavilion you use the same code as for the tennis court but start it with a C at the front and a Y at the end. Remember to press firmly and please ensure the door is shut when you leave.

Garden Party & Finals Day 19 Sept 2020

More details will follow but tennis tournament sign ups will open at the end of May with the competition being played throughout the summer months and the much anticipated final matches being played on 19 September. There will also be lots of other activities, yummy refreshments and drinks available and of course a delectably delicious BBQ. Definitely a great date for the diary. :)

Do contact us if you would be able to help, it would be much appreciated. Dates for the gardening mornings are shown on the right.
