Tubbs Turf Finals Day 8th July 2023

We are delighted to be running our annual Finals Day competition and garden party and would love for you to join us.

The afternoon will kick off at 12noon and will be filled with a variety of sports, a highlight being the tennis tournament finals which will be played following a month of qualifying rounds.

In addition, if you are feeling energetic, there will be other sports available to sign up for on the day including: table tennis and a casual mixed netball match for all ages—very lighthearted and excellent fun.

Short tennis for children will also be available to try on the top court including a fun competition for parents and children alike.

We are delighted that New Generation (the Kingswood dance studio) will be performing a routine during the afternoon.

Thanks to a willing team of volunteers, the gardens are also looking beautiful and what better way to enjoy them than with some delicious refreshments. There will be a licensed bar with beer and Pimms, a sizzling BBQ with locally sourced meat, delicious homemade cakes and obviously a lovely cup of tea. There will also be a raffle with lots of great prizes.

So do come along to finals day, relax and have fun at these lovely village courts and gardens.

We look forward to seeing you on the 8th.

Gardening

On a non-sports theme we have a group of enthusiastic gardening volunteers who keep the gardens looking beautiful. We would love to welcome some additional hands to help maintain them so if you know someone who would like to join this sociable band and get a sense of satisfaction by planting up the grounds (all shrubs/plants provided) please get in touch. The group normally meets, weather permitting, on the 2nd Saturday of each month from 10am.

Pavilion

The pavilion has toilets and a kitchen and is available for members. It is also possible to hire the pavilion, grounds and courts for private functions. See the website or notice board for details.

What is TUBBS TURF?

Tubbs Turf is a multi sport facility and garden in the heart of Kingswood and is a registered charity. It is run and maintained by an elected Management Committee with support from volunteers and the Parish Council. It consists of a tennis court, outdoor table tennis table and multi sports court that can be used for 5 a side football (with a size 3 ball), basket ball, netball or tennis.

The top multi sports court is available to members and non-members. For a very reasonable fee, members' benefits include:

- Pre-book either court (up to a maximum of 2 hour slots)
 - for tennis only on the bottom court, or
 - tennis, netball, football or basketball on the top court (there is a booking form on the back of the noticeboard)
- Access to the pavilion with toilets and kitchen facilities
- Access to the lower tennis court
- Entry to American Tournaments and Tennis Club sessions

The courts are monitored on a daily basis so if there are any problems feel free to contact the steward whose name is on the weekly booking sheet. If you would like to become a steward do let us know as this is a valuable role and the more stewards we have the less frequently they are needed. Currently stewards open and close the courts for a week at a time about 3 times a year.

The membership year runs from April 1st to March 31st. For membership queries please contact us by email.

There is also an outdoor table tennis table. The Pavilion has a kitchen, toilets and a great patio area for the BBQ, all in a lovely garden setting

You can join in with club sessions which include Competitive Tennis & Sunday morning tennis. Also other activities that are organised throughout the year include our May Open Day, American Tennis Tournaments and the Finals Day Competition.

Competitive tennis is on a Thursday from 6pm (whilst light permits) and social tennis on a Sunday from 9am—12noon. For more information and to join the whatsapp group to keep up with the latest information please email us.

Tennis coaching is available, for adults and juniors on a group basis or for individual sessions please contact us and we can put you in touch with a coach to suit your ability and requirements.

Bowen

The Bowen Technique is a gentle holistic form of natural healing. In order to appreciate its subtlety and depth, the therapy really needs to be experienced.

On the face of it, a Bowen session or treatment involves only light moves, applied to very specific points on the body, with significant pauses or rests between each series of moves.

However, what may not be seen by the casual observer is the dramatic and relaxing effect a Bowen session can have on the whole body.

After their first session people wonder how such gentle moves can have so powerful an effect (e.g. bad back, frozen shoulder, tennis elbow, etc.) but also on their general well-being.

Studies of various 'light touch' therapies have shown that one does not need to use forceful manipulation to achieve significant changes.

In fact, it seems that often the lighter the touch, the more effective and profound the result.
